Ready for School?!

We are so excited for our new school year. Some facility and program improvements have been implemented over the summer that will provide every child greater freedom and guidance to discover a love of learning and compassion for others. Our teachers will be using Creative Curriculum in all of our classrooms this year and we will continue to build kindergarten readiness through our social emotional curriculum. We will walk together to help all of our students reach their full potential.

Announcements and Reminders:

- Please send in a change of clothes and a helmet for your child. Shoes are required for all classes, Toddler and up.
- We need to have an updated health physical and immunization record every year. For infants, PA requires we have an update every 3 months. Please make sure to get the proper Health Report to fill out and return to the office!
- For our Preschool academic year, we follow the ELANCO calendar so please check the schedule on their website regularly.

Pastor Dawn will be serving FREE! Coffee to anyone who stops by on Tuesdays between 6:15am and 8:30am.
