

August overview
2026

Sea Turtles

This last month we will learn about stars and planets and the off chance the kids want to learn about something else we will research it together.

Important dates

Thursdays are our waterway days.

August 11th is a bowling day, remember socks please.

August 21st is last day of summer camp

August 24th center closed for in service day

August 25th first day of school

Bitter sweet that the summer is coming to an end but I was glad I got to teach and care for your children this summer. Hoping your kiddos have a great year and learn much more.
