Dragonflies

This Month

-  Ocean : Marine life.
-  Beach Fun
-  Summer Weather

WHAT'S NEW

Welcome to June! We are so excited for a month filled with learning, outdoor play, and special memories with your little ones.

We will be exploring exciting summer themes, including ocean, sunshine, beach fun, summer weather, colors of summer and outdoor adventures!

REMINDER

Please send an extra set of clothes and a water bottle with your child for daycare.

SUMMER FUN

During the summer, we enjoy outdoor water activities for the children to cool off and have fun! Please send your child with a bathing suit, towel and water shoes if you want to protect your child's feet while playing on the grass. Thank you for supporting us!

Be sure to follow our Procare App for the latest update and messages. We'll get back to you as soon as we can. Thank You
