Dear Bumble Bee Parents,

Wow can't believe it December already! Boy, how time flies when you're having fun! In December, we are doing many fun Christmas activities in the coming weeks. There are so many things including decorating, making ornaments, and preparing songs for our Christmas program.

As it gets colder, please continue to dress your child in appropriate clothing. Weather permitting, we will go outside each day.

Thank you,

Ms. Keren, Ms. Maddie
