

October 2024 Ladybugs

Can you believe our class has already been together for a month already?! We have had a wonderful time getting to know each other. The children are delightful, and we are anxious to spend another exciting month with them. Please remember as the weather gets cooler that your child will need a jacket. We often go outside for walks and to play.

On Monday, October 31st, we will be having a Harvest Party. Feel free to send your child with a costume. Please make it child friendly and nothing scary.

Below you will find our themes for this month, including any special days. If you have any questions feel free to reach out to us. Have a great month and many happy times with your child!

*Sincerely,
Mrs. Iliana
Ms. Alexis*
