

September Butterflies Newsletter

Hello Families!

At the beginning of each month, I will send out a newsletter containing all the important information you need. It will also include key insights into what your child will be learning throughout the month.

What are we learning?

Throughout September, your child will be learning the classroom routine, including the rules and expectations. We will also begin working on recognizing our own names, as well as learning the names of our new friends. Lastly, as a class, we will start exploring our feelings and emotions.

Important Dates

September 4th - No School

September 7th - No School

September 10th - Hearing Screening

September 23rd - Apple Orchard Field Trip
