

Fireflies' June

NEWSLETTER

This Month

We are so excited for summer and all the fun things that come with it!

This month we are learning all about bugs! We are learning about their anatomy, exploring their habitats, and doing lots of crafts and activities surrounding different bugs.

Reminders

Essentials: Please ensure your child has a water bottle, and a change of clothes in their cubby

Water play: We will be starting water play next week so each child needs a bathing suit and a towel. Please have one here by Monday. Thank you!
