

December 2025 Ladybug Class

Christmas is right around the corner. How exciting! We love Christmas. We love the music, the decorations and the happy spirit.

This month in the Ladybug class, we will focus on the Christmas story and celebrating the holidays. Our projects will relate to many enjoyable aspects of Christmas. We will be singing Christmas carols and enjoying the Christmas spirit together. We also have our school wide "Winter Wonderland" night, where you and your family can come and complete Christmas crafts, have a warm cup of hot chocolate, and get your photo taken with Santa! This will take place on December 9th.

Enjoy the holidays! Let's celebrate His birth!!
