

# February 2026 Newsletter Bumble Bee's

## Dear Parents:

Brr... Zip up those coats, put on your hat and mittens and keep warm. Please remember to dress your child appropriate for the cold weather. Please make sure to dress your child with a heavy coat, hat and mittens. Make sure you provide extra clothing. While February is approaching us already, we have many fun filled activities going on.

I hope your year is off to a good start. This month we will be celebrating Valentine's Day. A sign up sheet will be posted outside of our room. We will be exchanging valentine's cards so feel free to bring some.
