

# BumbleBee's 2026

## Hello Families

Hope everyone is enjoying the nice weather we been having fun lately. We love the great outdoors and exploring the signs of Spring. We will be spending more time outside and we will be riding bikes. Bring a light coat since the mornings are a little bit cooler than the afternoons. On sunny days we will be applying sunscreen to the children as it gets warmer. Please sign and return sunscreen permission slips and provide sunscreen for your child. Also, have an extra set of clothes here always available if they get muddy or wet.

Ms Maddie, Ms Keren
