

## LADYBUGS CLASS

### JANUARY 2026

**Happy New Year!** We hope everybody had a wonderful Christmas celebration. Christmas was good for our families, as was the much needed break. It was a good time to focus on spending time together. We hope that your family also enjoyed some special time together.

Can you believe that is has been four months since the beginning of our class? We have enjoyed learning with your children. It has been neat watching them grow. We have especially enjoyed watching them learn how to do new things.

This month we will be doing a lot of fun things. We would like to go outside to experience snow this year. Please provide appropriate attire on snow days. Have a great month!

**Ms. Iliana**

**Ms. Liuda**
