

## September 2026 Ladybugs Newsletter

### **Dear Parents:**

Welcome to a New School Year!

We are excited to learn with your children this year. Please review the welcome letter you received when joining our class. There is a lot of important information relating to the classroom and your children's daily needs. (If you have any questions about our schedule or classroom please stop by and talk to one of us.) We want to work with you to provide the best care and learning for your children.

Below you will find our September themes and dates to remember. We are excited to be a part of you child's classroom and look forward to working with your child.

### **Sincerely,**

Mrs. Iliana  
Ms. Stacy  
Ms. Liuda

### **September themes are as follows:**
