

AUGUST NEWSLETTER

Happy August, Families!

As we wrap up an amazing summer and prepare for the start of a new school year, we have some exciting topics planned for our students!

This month, we will be exploring fairy tales to help children develop their understanding of story sequencing, plot, setting, and character identification. Through engaging stories and activities, students will strengthen their early literacy skills while having fun.

We will also be learning about the importance of exercise and good hygiene. Students will discover healthy habits that help keep their bodies strong and reduce the spread of germs and illness.

Finally, we will be talking about going back to school. We'll discuss what students can expect as they begin a new school year, helping them feel prepared, excited, and confident for this new chapter.

We look forward to ending the summer with lots of learning, fun, and memorable experiences!
