DRAGONFLY NOVEMBER NEWSLETTER

For the month of November We will be focusing on Sharing and how to be a good friend to our classmates. We will also be learning about trees, how the colors change from summer into fall and from fall into winter months. Pumpkins will also be in store for this month as well as different aspects of Thanksgiving since it's the time to reflect on what we are thankful for and how we can grow from that.

For our classroom we will allow stuffed animals for naptime only, all outside toys should stay home unless the teacher has specified to the parent that on a particular day they may have a home toy in class. Please make sure that if you would like your child to have breakfast or lunch with the rest of their class that they arrive at the appropriate time to do so. We are beginning to work on walking in a nice line while traveling from class to bathroom or outside so we ask they are quiet like a mouse in the hallways and they seem to be adjusting pretty well. Something new or different is that we will have centers after our circle time in the morning where the children will be paired with one or two other classmates and they will play and explore the different centers in our classroom that are math, science, reading and many others.

So you are aware we will be going outside in all weather, it is so good for kids to be outside and learn from nature. I also am not apposed to going off my regular routine if the children would discover something while outside on the playground or on a walk, that's the fun part and joy of teaching so just know I am flexible when it comes to them learning. So for outside have the right jackets and shoes for them here each day, boots, rain boots heavy jackets for the colder weather that should be approaching soon.

We are a family in our class and I want to make the kids see that they are loved and very well taken care of here. It can be tough being so little and being away from our adults but here we do care. Id like to do a small family tree in our classroom so if anyone would like to bring in a small photo of just immediate family or even just a picture of your child that would be great, I will be working on it probably during our naptime a couple days.

Dates to remember

Conferences start the first week of November so look for the sign up sheet

November 25th - class pajama day/ fall fun day

November 26th and 27th CENTER CLOSED

HAPPY THANKSGIVING!!!!

Ms. Jess, Ms. Danika, Mrs. Trang
