

Fireflies' August NEWSLETTER

This Month

The month of August, we will be learning and exploring rainforests and all the animals and plants that live there. We will also be focusing on reviewing letters, sounds, and numbers to help our class be well prepared for kindergarten!

We will miss seeing them everyday in Fireflies but we are so excited for them to continue learning and growing in Kindergarten!

Reminders

Backpack Essentials: Please ensure your child has a water bottle and a change of clothes in their backpack daily.

Gardening: Every Thursday we have gardening at 9, so when you drop your child off, we will likely be down at the garden.

Waterplay: Our waterplay schedule is fairly irregular so please make sure your child has a swimsuit and towel in their cubby at all times.

Cubbies: Please help your child clean out their cubbies at the end of the day. Take home any crafts in the cubby so we can keep the hallway looking neat. Thank you!

Important Dates & Contact

- August 13: Garden Spot Village
- August 23: last day before school starts
- please contact us through ProCare if you have any questions!
