

January Butterflies

Newsletter

Hello Families!

Happy New Year! I'm looking forward to another month of growth and learning with our class. I'm excited to see all the growth that January will bring.

What are we learning?

Throughout January, we will continue learning shapes, colors, numbers, and letters. We will also continue our bread unit, as well as begin to learn how to write our names. As a class, we will continue developing strategies to recognize and manage the big feelings we experience.

Important Dates

January 5th - Winter Break Ends

January 19th - No School
