

# February Butterflies Newsletter

## Hello Families!

Happy February! I look forward to another month of learning as a class!

## What are we learning?

Throughout February, we will continue to learn our numbers, colors, and letters, as well as how to write our name. We will also begin our unit on clothing. This unit explores the best clothes to wear based on temperature and looks into the process of clothing manufacture. We will also work on using words to express emotions, as well as coping with them effectively.

## Important Dates

**February 3rd & 4<sup>th</sup>** - Picture Days

**February 12<sup>th</sup>** - Early Dismissal (12:00 pm)

**February 23<sup>rd</sup> - 27<sup>th</sup>** - Dr. Suess Week

**February 27<sup>th</sup>** - Dr. Suess Open House
